ShopSmart Retail Ltd: Sales Analysis Summary
Keabetsoe Lesia
17 October 2026

Key Findings

1. Increase stock supply between the Months of October to December.
2. Beauty category drives 23,23% of revenue, far ahead of home category.
3. ShopSmart Lagos leads sales while ShopSmart trails by 23,9%

Recommendations

1. Increase stock and promotion for Beauty Category
2. Review pricing and staffing at ShopSmart Kano
3. Investigate return reasons in home category before restocking.

Risk

About two thirds of orders are cancelled or pending, so reported revenue depends on only a third of the orders, fulfilment problems could be hiding in the data.

Opportunity

SmartShop Abuja, South has strong sales but low stock, so better replenishment could raise revenue without extra marketing.
